

Marie mange-t-elle à la
cantine

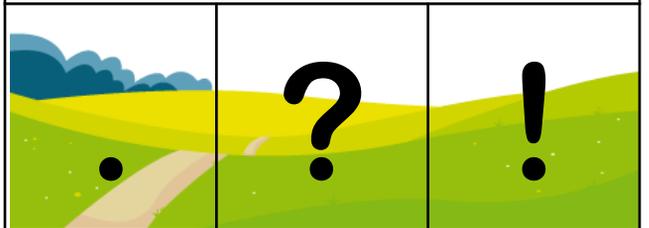

Que ta robe est belle

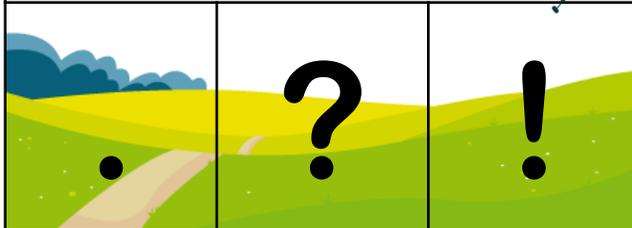

Je vais au marché

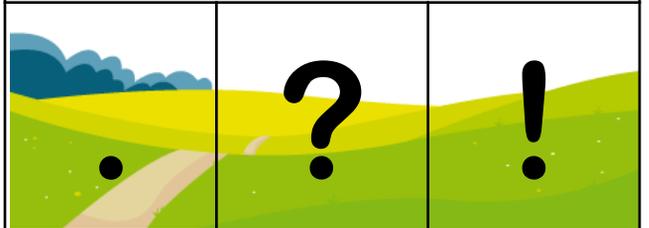

Aimes-tu les épinards

Est-ce que tu viens à la
piscine samedi

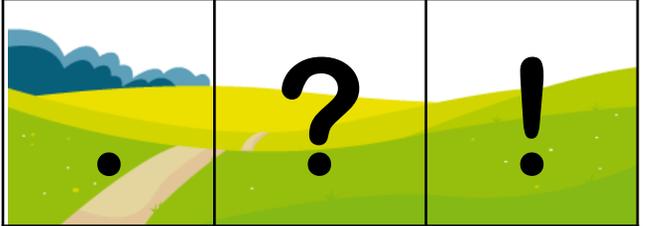

Le trésor est caché sur
une île des Caraïbes

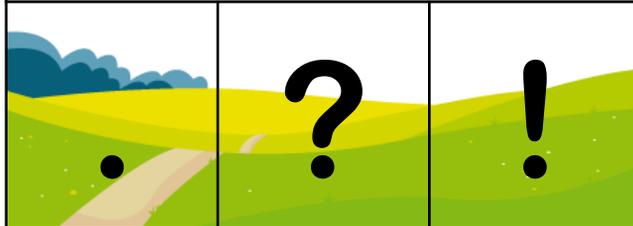

Pourquoi les oiseaux
ont-ils des ailes

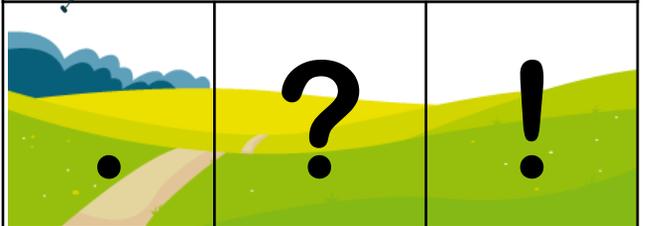

Comme c'est bon

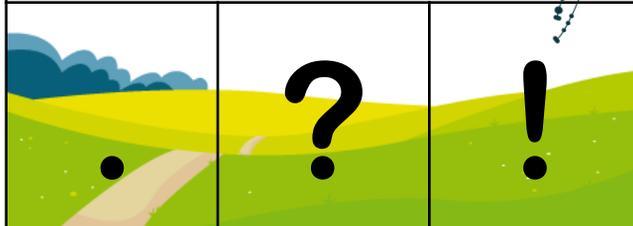

Les lapins dorment dans
des terriers

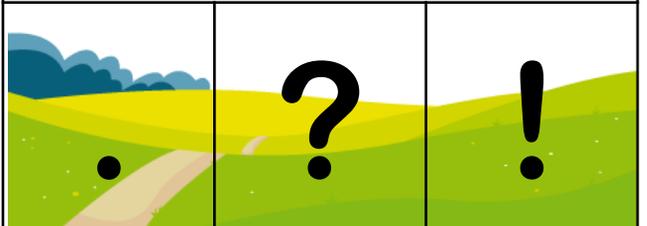

Quelle est la solution à
ce problème

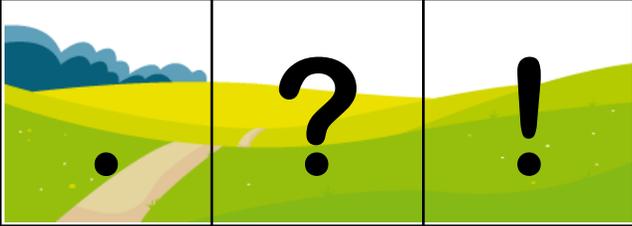

Prends ton crayon et ta
gomme

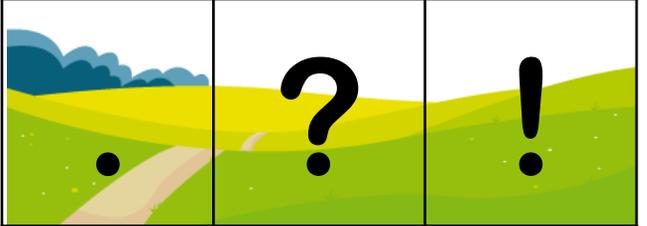

Les écureuils mangent
des noix

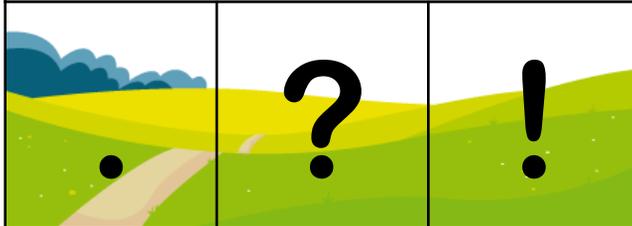

Quand est-ce qu'on arrive

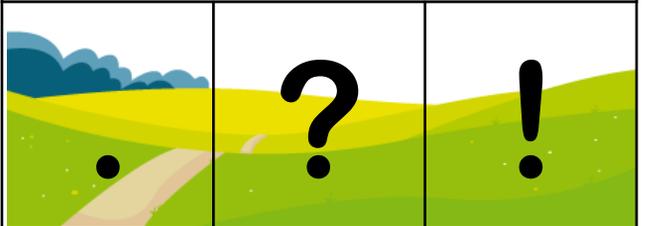

C'est délicieux

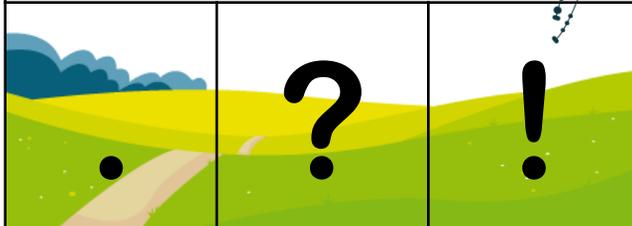

Nathan lit un livre à la bibliothèque

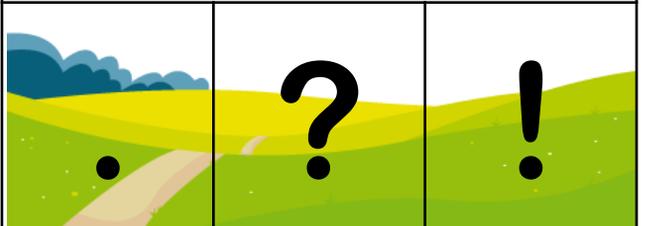

Je prends un bain chaque soir

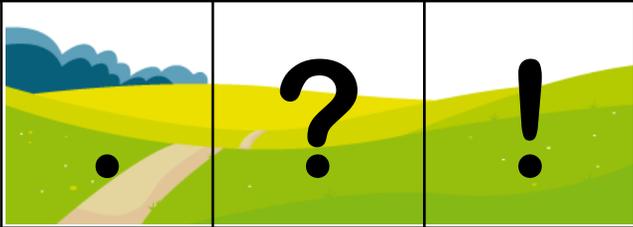

Est-ce que tu préfères la pomme ou la poire

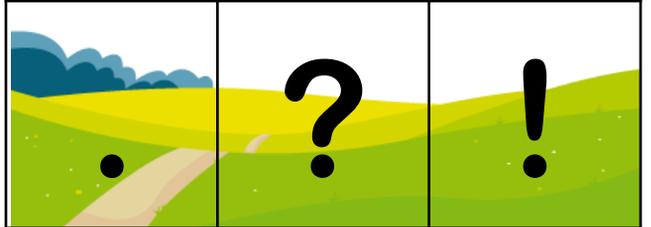

Arrête de manger tant de bonbons

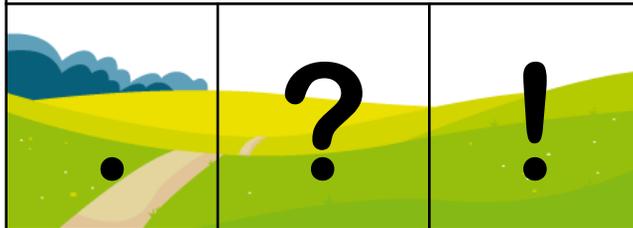

Veux-tu une pomme

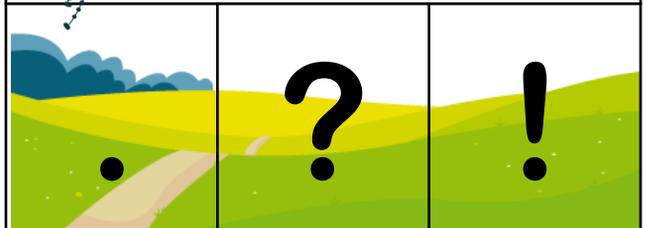

C'est hors de question

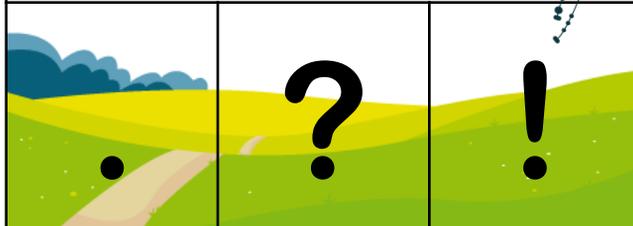

Les sangliers adorent les glands

As-tu perdu ta langue

Mange ta glace rapidement

Je vais à la piscine chaque vendredi
