

# Le loup qui voulait faire le tour du monde

Ecris sous chaque objet le pays auquel il te fait penser :

The illustration shows a wolf family in a room with orange striped wallpaper. A large grey wolf stands in the center, wearing a white and green hat and holding a small yellow triangle. Behind it, a smaller blue wolf wears a red and white checkered shirt and holds a slice of pizza. In the foreground, a black wolf holds a globe with the Eiffel Tower on it. The room contains several framed pictures: a sailboat, the Pyramids, a pagoda, and the Statue of Liberty. A pink box of macarons is on the floor. Red hearts are scattered on the wall and floor. Each object has an arrow pointing to a set of blank handwriting lines for labeling.
